## **4. Product Details of 36w nail light lamp for gel drying with UV LED sun uv**

【Fast Curing Save time】 Atocnail industry 24 watt quick UV nail lamp spend 60 seconds to dry nail UV or led gel, and other kinds of gels. our professional led nail lamp can shorten your curing time than other nail lamps with same power. You can not only save time and effort, but also save a lot of money.

【Wide Space to Cure 5 Fingernails at One Time】 Atocnail nail polish dryer can be cured into both 5 fingernails or toenails at the same time, NOT curing thumb separately anymore. Our nail dryers with 180 degree multi-angle light beads, you can dry the whole hand or foot evenly including the thumb at once, and without worrying about the sides not curing.

【Easy Operation and Protect Your Hand】 Our gel nail lights with auto-sensor for on/off (no switch). Hands in, turns light on. Hands out, turns light off. it comes on automatically for 10, 30, 60, 99 seconds following your needs. This Nail Light is closer to white light comparing with ultraviolet light of traditional nail lamps, which ensures there is no harm to your eyes as well as protects you from unwanted tanning. No need to replace bulbs, 50,000hrs long-lasting LED light beads are evenly distribute

【Works Well with All Gel Nail Polish and Resin】 UV nail light almost curable for all nail gels without dead zone!, such as UV therapy gel, extended gel, LED nail polish gel, hard builder gel, sculpture gel, gem glue etc. All top coat and base coat for gel polish, including nail UV-glue, builder gel, nail sculpture gel, gem glue and LED nail gel.

【Get Salon Effect at Home with Your Family】 gel nail polish UV light not only the best choice for manicurist, but also can be a perfect gift for Mother's day, Valentine's Day, Birthday, Christmas, and Wedding Anniversary. Enjoy a salon experience with your friend and family at home.
